

# Nigel Wright Raises Over £10,000 for Cancer Research UK

**In July 2015, the company raised a grand total of £10,700 on behalf of the charity by taking part in the Yorkshire Three Peaks Challenge.**

Twenty seven employees from across seven international offices took part in the walk, with many completing the route in under nine hours.

Sarah Dargue, managing consultant of Nigel Wright's finance team, made an outstanding individual contribution by raising over £1,000.

The Company regularly raises funds through a variety of activities and a significant contribution was also made as part of the Nigel Wright Summer Party event which brought together its employees to celebrate a great year so far for the company. Here, we raised £1,300 towards our fundraising.

**Our aim in 2015 is to raise an overall total of £20,000.**

CEO Paul Wilson, commented:

*"We are delighted to have Cancer Research UK as our designated company charity and to continue our support for this wholly worthwhile cause. Additionally, we are extremely proud of our team for taking part in the Yorkshire Three Peaks Challenge and indeed many of the other events that we organise."*

*"So far, a fantastic sum of money has been raised and our gratitude extends to the friends and families of our employees who take the time to donate and spread the word of our efforts."*
