

Driving Range and Directors' Dinner

Hosted by Nigel Wright, **Directors' Dinner** returns in October for the third time. This networking event brings together like-minded C-level professionals for an informal Thursday afternoon get together.

Taking place at **Lyngbygaard Golf** on the 27th October 2016, 15 CEOs and executive decision makers will get the chance to meet and network.

We start at the driving range, where guests will have the chance to brush up on their golfing skills or try golf for the first time. A golf-instructor will give us insider tips on how to get those handicaps down.

Afterwards we will enjoy a 3 course evening dinner and drinks.

Respond latest the 7th October 2016.
