

Working at the heart of the business world...

Nigel Wright Recruitment - Open Evening
18th June 2014 from 6pm

78 Grey Street, Newcastle upon Tyne, NE1 6AF

The recruitment industry is an incredibly fast-paced and dynamic sector, which requires people with a range of skills and expertise.

On the 18th June 2014 at our Newcastle office, we're hosting an evening dedicated to educating people about what it's like to work in recruitment; as well as give you a glimpse of day to day life at Nigel Wright, a leading specialist international recruiter.

Nigel Wright's CEO, Paul Wilson, will talk about the benefits of a career in recruitment, and our expert consultants will talk about their experiences of working at Nigel Wright, including giving you an insight into some of the great companies we work with around the world.

To succeed in recruitment you must be determined, enthusiastic, driven and ambitious with excellent communication skills. If you can demonstrate these key attributes, then we want to hear from you.

The event will start at 6pm; refreshments will be provided. If you or anyone you know might be interested in working in recruitment, please get in touch to book your places.
