Nigel Wright has been a strong supporter of the North East CIPD Awards for the last eight years and we are once again delighted to have been selected as Associate Sponsor, as well as category sponsor, for the Talent Attraction and Management Award.

This is a hugely successful event which acts as a showcase of the region's HR talent across a variety of HR related practises. It also helps to reaffirm the essential role that HR services play within all types of organisations.

Being at the forefront of the organisation means HR can drive cross functional improvements to maximise efficiency, while ensuring that employee engagement, talent management and retention receive a greater strategic focus.

Providing a vital input in planning processes and identifying and developing talent have been the key themes of the past twelve months and we expect that HR will continue to make a valuable contribution in 2014 by ensuring people led innovation remains at the centre of decision making.

Winning a CIPD award can make a significant impact on an individual's career or an organisation's prospects in the marketplace. We're looking forward to highlighting some of the region's top talent over the next few months.
