

Dear...

Best wishes for the New Year from everyone at Nigel Wright. We hope you enjoyed the festive break and are now well underway with new and exciting projects.

There is no doubt that 2012 was a challenging year but towards the end there were signs that 2013 will be better for business...

...We can take comfort in the fact that some degree of stability is likely to return to the developed world again, certainly by the latter part of the year, while commentators predict that emerging markets will grow almost four times as fast, providing a much needed stimulus to the global consumer industries.
