

Dear,

It's a busy time of the year for accountants, but we just wanted to gently remind you that the Nigel Wright **North East Accountancy Awards 2013** is almost upon us!

As ever, we are proud to be associated with the leading accountancy profession awards event, in the North East. As title sponsors, we want to ensure that the awards are, as in previous years, a success and that nominations are truly representative of the great work carried out by finance teams and individuals across the region, over the past twelve months.

Nominations can be made quickly and easily online, so while the clock is ticking, you still have enough time to get your nomination in, before the ***deadline on Tuesday 7th May, 2013***. If you haven't done so already, please consider nominating your team or an individual in your organisation, for special recognition. Winning an award will raise the profile of your organisation and is another way to recognise individual or team effort and achievement.
