

Welcome to the September edition of our e-update for supply chain candidates based in the North East. In this issue, read more about the type of roles we recruit in your sector, and find out how much we've raised for Cancer Research UK during the National Three Peaks Challenge.

AREAS OF EXPERTISE

Our Supply Chain and Procurement team has experience in recruiting across a range of Consumer, Industrial and Service sectors, including Automotive, Chemical & Pharma, FMCG, Food and Drink, Oil & Gas, and Manufacturing & Engineering companies. Across the region we recruit within procurement/purchasing, warehouse/distribution and supply chain planning, and our appointments range from the tactical level through to strategic and director level positions. Our areas of expertise cover a range of roles, such as:

- Supply Chain Manager
- Procurement Specialist
- Demand Planner
- Buyer
- Planning Manager
