

Nigel Wright has been a strong supporter of the North East CIPD Awards for the last ten years and we are once again delighted to have been selected as Associate Sponsor.

Our business has strong working relationships with HR&D departments across the region, and the CIPD Awards is a great platform from which to celebrate the good work they have been undertaking.

HR has continued to make a valuable contribution in 2016 and we're privileged to see the quality and achievements of the North East HR Community on a day to day basis and the positive impact they have within business.

It is fantastic that the awards provide the opportunity to recognise the outstanding commitment of the people who work within the North East HR sector.

The awards showcase the best of the HR industry in the North East and as a headquartered company in Newcastle, we are incredibly proud of what our region has to offer and we are dedicated and passionate about promoting it.

Winning a CIPD award can make a significant impact on an individual's career or an organisation's prospects in the marketplace. We're looking forward to highlighting some of the region's top talent over the next few months.
