

Nigel Wright is proud to be the title sponsor for the North East Accountancy Awards in its 10th anniversary year.

We have been associated with the awards since 2007 and are delighted to see how the profile of the awards has grown and have long valued the benefit it brings through deeper engagement with our clients and candidates.

Our Company is privileged to see the quality and achievements of the North East Finance Community on a day to day basis and the positive impact they have within business. It is tremendous that the awards provide the opportunity to recognise the outstanding commitment of the people who work within the North East Accountancy and Finance sector.

The awards showcase the best of the Finance industry in the North East and as a headquartered company in Newcastle, we are incredibly proud of what our region has to offer and we are dedicated and passionate about promoting it.

It is our great pleasure to congratulate all of the nominees for their outstanding contribution and wish them the very best of luck tonight.
